**STATUS UPDATE: LANDING OF A PRIVATE JET AT AIRFORCE BASE
WATERKLOOF: CASE AGAINST 760128889PE LT COL C.M.
ANDERSON AND 95752119PE LT COL S.J. VAN ZYL**

Your letter with reference MAT51098/MR SNYMAN/md dated 13 January 2015 in this regard, has reference.

The investigation against above mentioned members is completed and is currently pending before Director Military Prosecutions to decide whether to proceed with prosecution or not.

It was indicated that the decision will be made by next week. The reason why the decision will be made only next week, is that DM Pros is still on vacation leave and will return on 19 January 2015.

Hope this feedback will suffice.
